*Dear Parishioners,*

*When I was in Bethlehem last month, I was blessed to meet a small, but faithful community of Palestinian Christians. They told me that the overall Muslim population do not hire Christians in their workplaces. And so, in order to make a living, the Christians fend for themselves by creating beautiful pieces of holy art; from Icons, to statues, to Crucifixes.*

*The new Stations of the Cross that you see in the church are hand-carved, olive wood masterpieces created by an anonymous Palestinian Christian named "Zachariah." The meticulous detail in these stations just shows how much they can enhance not only our imagination, but our own spiritual journey towards salvation.*

*The Stations of the Cross, as in most Christian art, is somewhat of a paradox: it shows just how much agony Our Lord suffered to save us from our sins, but at the same time, shows that there is great "beauty in suffering."*

*We can draw certain parallels with our persecuted Christian brothers and sisters; many of them suffer greatly for their faith, but their unwavering devotion and love for Jesus, His Mother, and The Church is a beauty that goes beyond our senses.*

*I was told by one of them that by donating to these Stations, we are able to support fifty Christian families in Bethlehem.*

*Two families can donate \$500 each for one station, or one family can donate \$1000 for one station. Please note that any amount helps.*

*Please help our persecuted Christians in the Holy Land. Your donations can make a difference, not only for our brothers and sisters in the Holy Land but can make the parish of St Timothy truly yours.*

*Thank you.  
Fr. L. Calleja*

<p>The <b>Christmas Crib</b>                  Manger, Nativity Scene or Crèche</p>	<p><b>What is it?</b>                  A depiction of the scene of the birth of Jesus in a manger in Bethlehem.</p>	
	<p><b>DID YOU KNOW?</b>  <b>St. Francis of Assisi</b> made the Christmas crib popular and turned it into a familiar part of Christian homes around the world. He presented a Bethlehem scene with live animals on Christmas Eve in 1223 in Greccio, Italy.</p>	<p>"I wish to recall to memory the little child who was born in Bethlehem. I want to set before our bodily eyes the hardship of his infant needs, how he lay in the manger, how with an ox and ass standing by, he lay upon the hay."                  ST. FRANCIS OF ASSISI</p>

<p>The preparation of the Nativity scene at home is a wonderful opportunity for family prayer!</p>		<p><b>TIP #3:</b> Say prayers of petition and praise</p>
