The Feast of the Baptism of the Lord

The mystery of Christ's baptism in the Jordan by St John, the Precursor, proposes the contemplation of an already adult Jesus. This mystery is infinitely linked to the Solemnities of the Lord's birth and the Epiphany that we have just celebrated, as in some ways it takes up and represents their

significance to us. At Christmas we have contemplated the human birth of the Word incarnate by the Virgin Mary. In the 4th century, the Fathers of the Church deepened the understanding of the faith with regard to the Christmas mystery in the light of Jesus' Humanity. They spoke of the Incarnation of the Word already working like the 'Christification' of that humanity that he had assumed from His mother. Or put in simpler terms: Jesus is the Christ from the first instant of conception in Mary's spotless womb because He Himself, with His Divine Power, consecrated, anointed and 'Christified' that human nature with which He became incarnate.

In the mystery of the Epiphany, we then meditated on Christ's manifestation to all nations that was represented by the Magi, the wise men from the East, who came to adore the Child.

Now, in the mystery of Christ's Baptism in the Jordan River, we again encounter and represent the truth of the Lord's incarnation and His manifestation as the Christ. Jesus' Baptism is in fact His definitive manifestation as the Messiah or Christ to Israel, and as the Son of the Father to the entire world. Here we find the dimension of the Epiphany which was His manifestation to all nations. The Father's voice from heaven shows that Jesus of Nazareth is the eternal Son and the descent of the Holy Spirit in the form of a dove shows the Trinitarian nature of the Christian God. The true and unique God, Father, Son, and Holy Spirit, shows Himself in Christ, through Him, with Him and in Him. Excerpted from the [Congregation for the Clergy](#)
