**Needs of the Church in Canada  
or the Bishops Collection**  
*Collection: September 29, 2019*

The Canadian Conference of Catholic Bishops is involved in national and international areas of pastoral activity, including social justice, ecumenical and interfaith relations, collaboration with Aboriginal Peoples, life and family issues, liturgy, catechesis, doctrine, and relations with Catholic associations and movements. Each year the Canadian Conference of Catholic Bishops is asked to speak out, give leadership and provide guidelines for the faithful on a wide variety of topics. For our bishops to be able to make proper judgments on modern topics, they must have the benefit of research, expert advice and capable administration which is also funded by this collection. In addition to contributions, we are also asked to pray for the work of the bishops and to participate in and co-operate with the various projects of the CCCB. If you would like to contribute, please use the envelopes in the pews.
